Subject: Request for Applicability Determination

Dear Mr. Traylor,

I am an engineer in the Air Enforcement Office at US EPA Region 9. Your request for applicability determination under 40 CFR Part 60, Subpart AAAA for New Small Municipal Waste Combustion Units was forwarded to me by Mae Wang. I will be picking up where she left off. If you have any questions or if there has been any change to the information you provided to her on January 8, 2010, please let me know.

Thanks,

All:

Thank you all very much for your diligent attention to resolving this complex question that cut across many EPA programs and offices. I know the questions we posed were out of the ordinary, in keeping with the development of this cutting edge clean energy source. With this determination, Fulcrum will be able to complete its air permitting and move forward with construction of this very exciting facility.

Again, thank you.

Warm regards,
Patrick
